

Mr David Ward, Director, Human Resources

Dear Mr Ward,

I support the claim for University Holidays paid for New Years Shutdowns, not my annual leave!

My annual leave is my entitlement and I do not support UNSW **forcing** me to use my leave for a University Shutdown.

I want to see in the next Enterprise Agreements, a clause providing for **Paid University Holidays for New Years Shutdown.**

UNSW should provide paid leave for any period where the University is closed and I support this claim.

Yours Sincerely,
