WHY UNSW GENERAL STAFF

Love Our Leave

CPSU members at UNSW said very strongly that General Staff Leave is important to us, in many different ways. This means we have many different claims at UNSW for General Staff Leave, including;

✓	Increases to Amounts of Leave
✓	More Types of Leave, More Accessibility of Leave for General Staff
✓	Fully Paid Leave for any UNSW shutdown periods
✓	Fully Paid UNSW Christmas Shutdown Leave
✓	Protection of General Staff Annual Leave (and other leave)

To launch our General Staff Leave Campaign, we are running a Video Petition, asking UNSW General Staff to let the University know why we Love Our Leave! Go to www.thegeneralstaffunion.org.au & follow the links to University of NSW, UNSW Campaigns. 

Send your video to unsw@thegeneralstaffunion.org.au or visit one of our Love Our Leave Booths. There will also be CPSU delegates & staff to answer questions about your EB negotiations & information. Visit the CPSU website for more information, including the schedule for the LOL Booths.
